SATA USA Expands Workforce in Brownsville

BROWNSVILLE, Texas (February 27, 2019) – SATA USA, a machining company servicing the automotive industry, as well as the heavy industrial sector, in partnership with the Greater Brownsville Incentives Corporation, is pleased to announce the expansion and growth of their business operations in Brownsville.

The expansion has produced 100 additional jobs to date, with an average hourly wage rate of \$15 dollars plus employee benefits. SATA USA has committed to invest in Brownsville approximately \$114 million and is planning on additional growth with the creation of more local jobs in Brownsville.

Marco Margrotto, Vice President Chief Operating Officer, stated, “Brownsville is a strategic location for industrial development due to its ideal geographic area, solid infrastructure and logistics and valuable resources. SATA USA is excited to continue the collaboration with the Greater Brownsville Incentives Corporation (GBIC). GBIC’s contributions are a key factor for the success of SATA USA.”

City Commissioner for District 2 and Board Member for the Greater Brownsville Incentives Corporation, Jessica Tetreau-Kalifa, stated; “Working on the creation of local jobs and developing a pipeline of skilled workers are primary elements GBIC and the City Commission are focusing on, by doing so we are putting Brownsville on the right path for greater economic prosperity.”

Mario Lozoya, GBIC Executive Director, said, “Collaborating with SATA USA has set the tone for a better economic climate in Brownsville. Working on “growing our own” skilled workers is one of the many initiatives that GBIC is putting together for the advancement of the community and upward social mobility for the citizens of Brownsville.”

SATA USA began operations in 2016 with 50 employees and over the last three years has invested approximately \$35 million dollars in the Brownsville community.

GBIC, is the economic development arm for the City of Brownsville, has a mission to promote and increase the economic and industrial competitiveness of the region. For more information, call Mario Lozoya Executive Director & CEO at (956) 561-4133 or visit the website at www.Greaterbrownsville.com
